# Approaching Workplace

## Task 1

Work in pairs and identify the following products.

Back

## Task 2

**Work in pairs. Answer the following questions.**

1. Can you name all of the above products?

**Handbags, mobile phone, massage chair, iPod, vacuum cleaner, T-shirt.**

2. Do you possess these products?

**Yes, some of them such as handbags, T-shirt etc.**

3. Are you familiar with the functions of these products?

**A handbag is used to keep your belongings; a mobile phone is used to communicate with people; a massage chair is used to massage your body; an iPod is used to store music and videos; a vacuum cleaner is used to clean the floor and carpets and T-shirt is used to wear.**

**Back**

## Task 2

4. Where would you use these products?

**A handbag is usually used when going out; a mobile phone is used everywhere – at home or outside; a massage chair is used at home; an iPod can also be used everywhere – at home or outside; a vacuum cleaner is used at home; and a T-shirt can be used at home or when going out.**

5. Which is the most important product for you? Why?

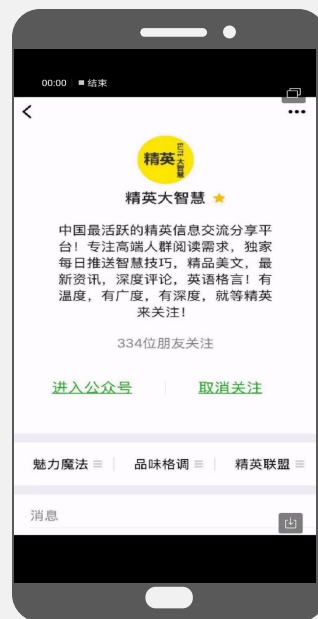

**Free answers.**
